

COLLETT PARK DOG WALKERS CODE OF CONDUCT

This code of conduct has been produced by Shepton Mallet Council to promote the benefits of responsible and considerate dog walking.

Collett Park is a popular dog walking space and it is important to consider the impact that your dog might have on other people and fellow dog walkers.

To keep Collett Park as a safe and welcoming place for all, the following controls must be adhered to:

1. Dogs must be kept on a lead and under control at all times.
2. Dog owners must clean up after their dogs. (Bins are provided in the park.)
3. Dogs are not permitted in the children's play area.

Collett Park is subject to the Control of Dogs Public Spaces Protection Order 2020, issued by Mendip District Council on 5 July 2021, which can be viewed at: [Public Space Protection Order \(No. 1 of 2021\)](#) or [Public Spaces Protection Order \(Council Owned Play Areas For Children Under Five Years Of Age\) \(No.2 of 2021\)](#).

If a dog causes a problem, such as attacking people or other dogs; or fouling, advice can be obtained from Mendip District Council Environmental Health: <http://help.mendip.gov.uk/neighbourhood-services/Dog-Fouling> To report an incident, please record the full details, such as the location, description of the dog and its owner, dates and times etc.
