TDP4.1 Apologies

To receive and consider for acceptance, apologies for absence

(1 min)

(Local Government Act, 1972 s.85)

Report Author: Assistant Town Clerk (Planning and Amenities)

TDP4.1.1 Background

- a The Council (including committees) should approve (or not) the reason for apologies given by absent councillors. If a council member has not attended a meeting of the council (or its committees) or has not tendered apologies which have been accepted by the council (or committee), for six consecutive months, they are disqualified.
- b Councillors are holders of public office and summoned to the meetings of the Council and its committees.

TDP4.1.2 Apologies received and reason

- a Cllr G Kennedy owing to business commitments.

TDP4.1.3 Recommendation

- a That the meeting accepts or rejects each of the apologies presented. A press release is not required for this decision.

TDP4.1.4 Reason for Recommendation

- a Accepting apologies resets the six-month absence rule.

(End)

TDP4.2 Declarations of Interest

To declare interests relating to the business of the meeting and receive dispensation requests.

(1 min)

(Shepton Mallet Town Council Code of Conduct, 2019)

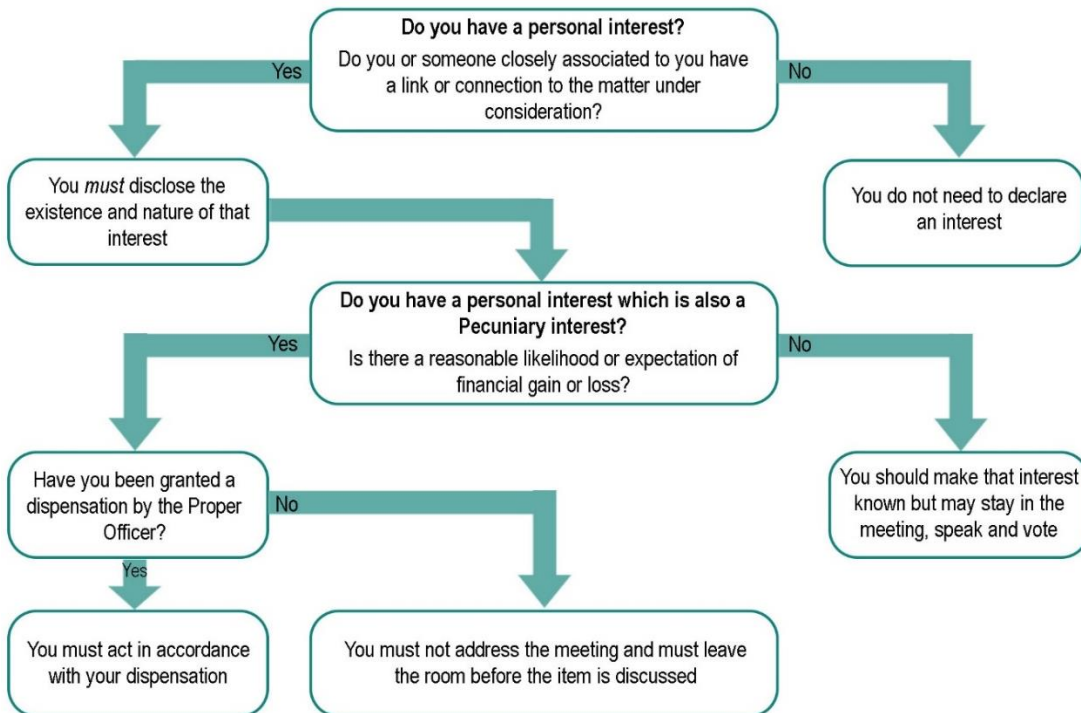

Report Author: Assistant Town Clerk (Planning and Amenities)

TDP4.2.1 Background

- a Members and Officers are reminded of their obligations to declare interests in accordance with the Code of Conduct 2019. The Clerk will report any dispensation requests received.
- b Where a matter arises at a meeting which relates to a councillor’s interest, the councillor has the responsibility of declaring that interest in accordance with the adopted code of conduct. (Shepton Mallet Town Council Code of Conduct, 2019)

TDP4.2.2 Recommendation

- a To note the declarations made during the meeting.

(End)

TDP4.3 Minutes

To receive the minutes of the previous meeting of the Town Development & Planning Committee. (1 min)

(Local Government Act 1972 Sch 12)

Report Author: Assistant Town Clerk (Planning and Amenities)

TDP4.3.1 Background

- a When the meeting is approving the draft minutes of a previous meeting as an accurate record, the only issue for the meeting is whether the minutes accurately record the proceedings of the meeting and the resolutions made at them. It is irrelevant if the chairman or other councillors were not present at the meeting to which the draft minutes relate.
- b If it is necessary for the draft minutes of the previous meeting to be corrected because of inaccuracies then the amendments to the draft minutes must be approved by resolution. *(Tharmarajah, 2013, p. 154).*

TDP4.3.2 Recommendation

- a That the minutes of [27/06/2023](#) be approved for signing as a true record of the decisions taken. Completion of this resolution to be no later than Tuesday 18 July 2023. A press release is not required for this decision.

(End)

(Local Government Act 1972 Sch 12)

Report Author: Assistant Town Clerk (Planning and Amenities)

TDP4.5.1 Summary and Background information

- a Planning applications listed below have been received and require comments to be submitted to the Local Planning Authority. Prior to the meeting, members are urged to view the planning application using the link below and to visit the site to understand local context.
- b As part of the town council's response to planning proposals it should provide material planning reasons for its comments, be they of support or objection. Simply stating 'no objection' is insufficient as there is a requirement to give reasons for that decision.

Economic Benefits	Effect on the Appearance of the Area
Flooding Issues	Height
Heritage	Impact on Access
Impact on Light	Landscape
Local or Government Policy	Noise/Disturbance
Other	Overlooking/Loss of Privacy
Parking	Residential Amenity
Road Safety	Traffic or Highways

- c To assist, here are a few examples as to how you might word something to give material planning reason for your thoughts.

Examples

House Extension No Objection as limited impact on amenity of neighbouring property
 Or
 Objection as will have detrimental impact on neighbouring property

New dwelling Support, design is in keeping with locality
 Or
 Objection as design is not in keeping with local area

Vehicular Access Support, will have no impact on road safety given proposed visibility splays
 Or
 Objection as visibility is poor in this location and traffic speeds are high.

(Town and Country Planning Act, 1990 sch 1 para8)

TDP4.5.4 Recommendation

- a That the committee provides its response on the listed planning applications and considers responses to applications received without notice, in the form Support or Objection with supporting reasons. Delegate to the Town Clerk all details in discharging this decision. Completion of this resolution to be no later than Wednesday, 19 July 2023. A press release is not required for this decision.

TDP4.7 Community Funded 20mph Speed Limits

To receive a presentation from Cllr M Lovell and to consider entering an expression of interest into Somerset Council's initiative to support communities who wish to fund the design and implementation of a 20mph speed limit (10 mins)

(Local Government Act 1972 Sch 12)

Report Author: Assistant Town Clerk (Planning and Amenities)

TDP4.7.1 Summary and Background information

a The council has been contacted by Somerset Council's Traffic Management Team:

Dear Clerk

Community Funded 20mph Speed Limits

As you may have been made aware, Councillors were recently invited to attend a briefing outlining Somerset Councils position on 20mph speed limits, aligning to the manifesto commitment to 'work with communities to make 20mph speed limits the norm outside schools, in residential areas, our city, town and village centres'.

As an authority we want to support communities who wish to fund the design and implementation of a 20mph speed limit. It is estimated that the cost would be in the region of £15,000. You will be required to pay a £500 non-refundable application fee which will cover an initial assessment including up to 2no week-long speed data readings. Note, at our discretion we may be required to collect data from more than 2no locations to determine the suitability. These will be charged at £200 per location and will be included in the final cost of the scheme.

For information, the Department for Transport guidance on the setting of local speed limits are clear in that speed limits should be evidence led, self-explaining and seek to reinforce people's assessment of what is a safe speed to travel. They should encourage self-compliance and should be seen by drivers as a maximum rather than a target speed.

Research has shown that a change in speed limit signs alone has very little effect on actual vehicle speeds and that the speed of vehicles is moderated by the surrounding environment rather than the posted speed limit. Where motorists do not understand the reasoning behind the implementation of a speed limit, a high level of non-compliance is likely to occur, and indeed this may lead to disrespect of speed limits elsewhere.

The key factors that need to be considered when reviewing a speed limit is history of collisions; road geometry and engineering; road function; compositions of road users; existing traffic speeds; and road environment.

*In specific reference to 20mph speed limits, the minimum length of speed limit is 600m (300m in exceptional circumstances) and **mean speeds must be below 24mph**. If mean speeds are higher than the intervention level, traffic calming measures will be required to reduce speeds to this level. Note, in larger communities it may be that only smaller areas are feasible, for example a housing estate or ward whereby it wouldn't impact on the strategic network.*

It is also worth considering the environmental impact on the 'street scene', having the necessary highway signage, such as terminal and repeater signs, and road markings installed within the village.

We are currently welcoming expressions of interest so please complete the accompanying application form by the end of August 2023 and return to this email account along with confirmation that the application fee has been paid. We will then carry out the initial assessment and advise you as to whether you will to be added to the register for progression, with the expectation that these schemes will be delivered in 2024. If your community is not ready to submit an application this year we will look to open the window for expressions of interest again this time next year.

TDP4.7.2 Scheme of Delegation

- a The Committee has delegated authority to deal with the following matters to conclusion:
To consider and resolve issues affecting roads, highways, development, environment or relating to planning matters upon which the Town Council is consulted or in which to the Town Council has an interest.

TDP4.7.3 Legal Authority and Implication

- a The Council has the power to do anything that will facilitate the discharge of its duties. (*Local Government Act, 1972 s.111*)

TDP4.7.4 Financial Implication

- a There is a non-refundable fee of £500 but as this committee does not have a budget, all councillors will need to be consulted on which budget this can come from. As there is a short timescale, the clerk will email all councillors for their decision.

TDP4.7.5 Recommendation

- a For the committee to decide whether to enter an expression of interest into Somerset Council's initiative to support communities who wish to fund the design and implementation of a 20mph speed limit.

TDP4.7.6 Reason for Recommendation

- a This committee has already expressed a desire to improve road safety to Somerset Highways for a 20mph speed limit from Rectory Road/Commercial Road roundabout to the junction with the A37 at Downside.
